I. ACCEPTANCE OF ORDERS:

Seller's acceptance of Buyer's purchase order ("Order") and all offers and sales by Seller of goods, services or both as described on the face of the Order (collectively, "Goods") are subject to and expressly conditioned upon Buyer's assent to these Conditions. The Contract consists of these Conditions, Seller's quotation or proposal, Kulite Government Supplement, if applicable, and Seller's order acknowledgment. Any of Buyer's terms and conditions which are different from or in addition to those contained in this Contract are objected to by Seller and shall be of no effect unless Seller explicitly agrees to any such additional terms in writing or there is a separate supply agreement signed by both parties which expressly takes precedence over these Conditions. Commencement of performance or shipment shall not be construed as acceptance of any of Buyer's terms and conditions which are different from or in addition to those contained in this Contract. **ABSENT A SEPARATE SUPPLY AGREEMENT SIGNED BY BOTH PARTIES, THE PLACEMENT OF ANY ORDER BY BUYER OR ACCEPTANCE BY BUYER OF GOODS FURNISHED BY SELLER PURSUANT HERETO SHALL CONSTITUTE ACCEPTANCE OF THESE CONDITIONS.**

II. PRICE AND PAYMENT TERMS:

A. The price of the Goods shall be the price set out in the Contract.

B. Prices include standard domestic packaging only. The price of Goods excludes the costs and charges of special packaging (including, but not limited to, packaging for export), insurance and transport of Goods, which shall be the responsibility of the Buyer.

C. Seller may invoice Buyer for the Goods on or at any time after the completion of delivery. Unless otherwise agreed by the parties, the payment for all Goods delivered to Buyer shall be NET Thirty (30) days from the date of Seller's invoice, and shall be in accordance with instructions set forth in the invoice. Buyer shall pay the full purchase price for the Goods without any set-offs or deductions.

D. If Buyer requests an extension to the payment period and Seller agrees to such extension in writing, such extension shall be subject to a 2.5% increase in the purchase price for every two weeks requested. In any event, if Seller shall have any doubt at any time as to Buyer's ability to pay, Seller may decline to make deliveries except on receipt of cash or satisfactory security. Upon Seller's request, Buyer shall make a down payment to Seller prior to acceptance of Buyer's Order for orders requiring special design considerations, special construction or other custom orders.

E. With regard to certain shipments exported out of the United States ("U.S."), Seller may request that payment be made in U.S. dollars by a Letter of Credit accompanying Buyer's Order. All Letters of Credit shall: (i) be in favor of and acceptable to Seller; (ii) be maintained in sufficient amounts and for the period necessary to meet all payment obligations; (iii) be irrevocable; (iv) be issued or confirmed by a financial institution acceptable to Seller within fifteen (15) days after acceptance of any order, (v) permit partial deliveries; and (vi) provide for pro-rata payments upon preservation of Seller's invoices and Seller's certificate of delivery, Ex Works, or of delivery of certification of cause therefore; and (vii) provide for the payment of any cancellation changes or interim amounts due under the provisions of an order.

F. If Buyer fails to fulfill any conditions of the payment terms as set forth in this Article, Seller may suspend performance and any costs incurred by Seller as a result thereof shall be payable by Buyer. Seller shall be entitled to an extension of time for performance of its obligations equaling the period of Buyer's nonfulfillment whether or not Seller elects to suspend performance. If such nonfulfillment is not rectified by Buyer promptly upon notice thereof, Seller may cancel performance, and Buyer shall pay upon submission of Seller's invoices reasonable cancellation charges for the value of the work completed prior to cancellation.

G. If the financial condition of the Buyer at any time does not, in the judgment of the Seller, justify continuation of the work to be performed by the Seller hereunder on the terms of payment agreed upon, the Seller may require full or partial payment in advance, or shall be entitled to cancel any order then outstanding, or shall receive reimbursement for its reasonable cancellation charges. In the event of bankruptcy or insolvency of the Buyer or in the event any proceeding is brought against the Buyer, voluntarily or involuntarily, under the bankruptcy or insolvency laws, the Seller shall be entitled to, at its option and in its sole discretion, do any or all of the following: (i) declare all outstanding invoices immediately due and payable; or (ii) suspend or cancel further shipment, or (iii) other performance, or (iv) require prepayment for future shipments; or (v) revoke any credit extended to Buyer or otherwise modify terms or payment; or (vi) set off any sums received from Buyer against Buyer's unpaid obligations. In addition, in any action based on Buyer's breach, Seller shall have the right to recover costs reasonably incurred by Seller in connection with the breach, including but not limited to storage, and handling charges, costs of collection, and reasonable attorney's fees. The rights of the Seller under this Article are cumulative and in addition to all rights available to the Seller at law and equity.

III. CREDIT:

The amount of credit offered by Seller to Buyer, if any, is contingent upon Seller's opinion of Buyer's capacity, ability and willingness to promptly pay for Goods received under the terms of this Contract. Seller, however, is under no obligation to offer credit to Buyer. All credit terms must be in writing executed by Buyer and Seller. Provided that, in Seller's opinion, there is a material adverse change in Buyer's financial condition and/or Buyer has not, within the agreed time, fully paid for goods and services previously supplied under this and/or another Contract(s) with Seller, Seller reserves the right to revoke Buyer's credit and/or suspend performance on this and/or other orders for goods and services.

IV. TAXES, DUTIES AND FEES:

A. The price stated is exclusive of any taxes. Buyer shall be directly responsible for all federal, state, local and municipal taxes, excise taxes or tariffs now in effect, or hereafter enacted, that are applicable to the transactions between Seller and Buyer. If Seller is required to pay any such tax, fee or charge, Buyer shall reimburse Seller therefor.

Buyer shall be liable to Seller for the full price of the Goods, irrespective of loss or damage in transit which occurs after delivery is completed. Seller shall not be required to provide freight cost receipts to Buyer at the time of invoice. Buyer shall be responsible for all expense for delivery of goods,

including without limitation, shipping, loading, unloading, storage, freight, and insurance.

In the event of such delay, subject to Article VI(C), the time of delivery or performance shall be extended for a period equal to the time lost by Seller by reason of delay.

C. If delay excused by this Article extends for more than 90 days and the parties have not agreed upon a revised basis for continuing the work at the end of the delay, including adjustment of the price, then either party upon 30 days' notice may terminate the Order with respect to the unexecuted portion of the work, whereupon Buyer shall promptly pay Seller reasonable termination charges incurred up to the date of termination upon submission of Seller's invoices thereof.

If such information is provided, it shall be without charge to Buyer and Buyer shall use it at its own risk.

VIII. INTELLECTUAL PROPERTY INDEMNIFICATION:

A. If Buyer receives a claim that any Goods, or part thereof, manufactured by the Seller allegedly infringes a U.S. patent, Buyer shall notify Seller promptly in writing and give Seller information, assistance, and exclusive authority to evaluate, defend and settle such claim. Seller shall then at its own expense and option (1) settle such claim, or (2) procure for Buyer the right to use such Goods, or (3) replace or modify the Goods to avoid infringement, or (4) remove the Goods and refund the purchase price (including transportation costs) less a reasonable amount of depreciation, or (5) defend against such claim.
